### ***Participant Eligibility:***

- All competitors must have an active NHRA Summit Jr Drag Racing League license and membership
- Participant must be included on a Member Track Team

### ***Track Team Championship:***

- To be eligible for a TRACK TEAM roster, a competitor must have participated in a minimum of two Summit Jr Drag Racing League Series events at that member track in the current season. Tracks found to be in violation of this requirement may lose all points earned for all track teams submitted and may be subject to additional penalties.
- Only one driver per vehicle entered; vehicle may run in only one class; on one team.
- Points will be earned from round wins during Sunday's race only, Race of Champions does not earn points

### ***Track Team Roster Registration:***

Each NHRA member track can send an unlimited number of teams of 10 drivers each. Each track does not have to send a full team(s). A track may send as few as one driver, and the last team you put together does not have to be full. For example, if a track has 16 drivers who have committed to attend as part of their team, the track's first team would include 10 drivers, and the second would include six drivers. All drivers on individual track teams will race one another when it is no longer possible to keep them separated.

Rosters will be posted online – link will be shared when it is live.

**Deadline for Track Team Roster Submission or Edit: Monday July 22<sup>nd</sup>, 2024**

### ***Race of Champions:***

- The race of champions is hosted as the premier run off between each member tracks top points earner
- One racer from each participating track. Point's leader from each track preferred.
- Racer must be listed on tracks rosters as representative prior to the event
- Winners will receive a NHRA Wally, Gold Card, and a Champions Jacket at the NHRA Division Four Banquet.

### ***Summit JDRL National Shootout:***
